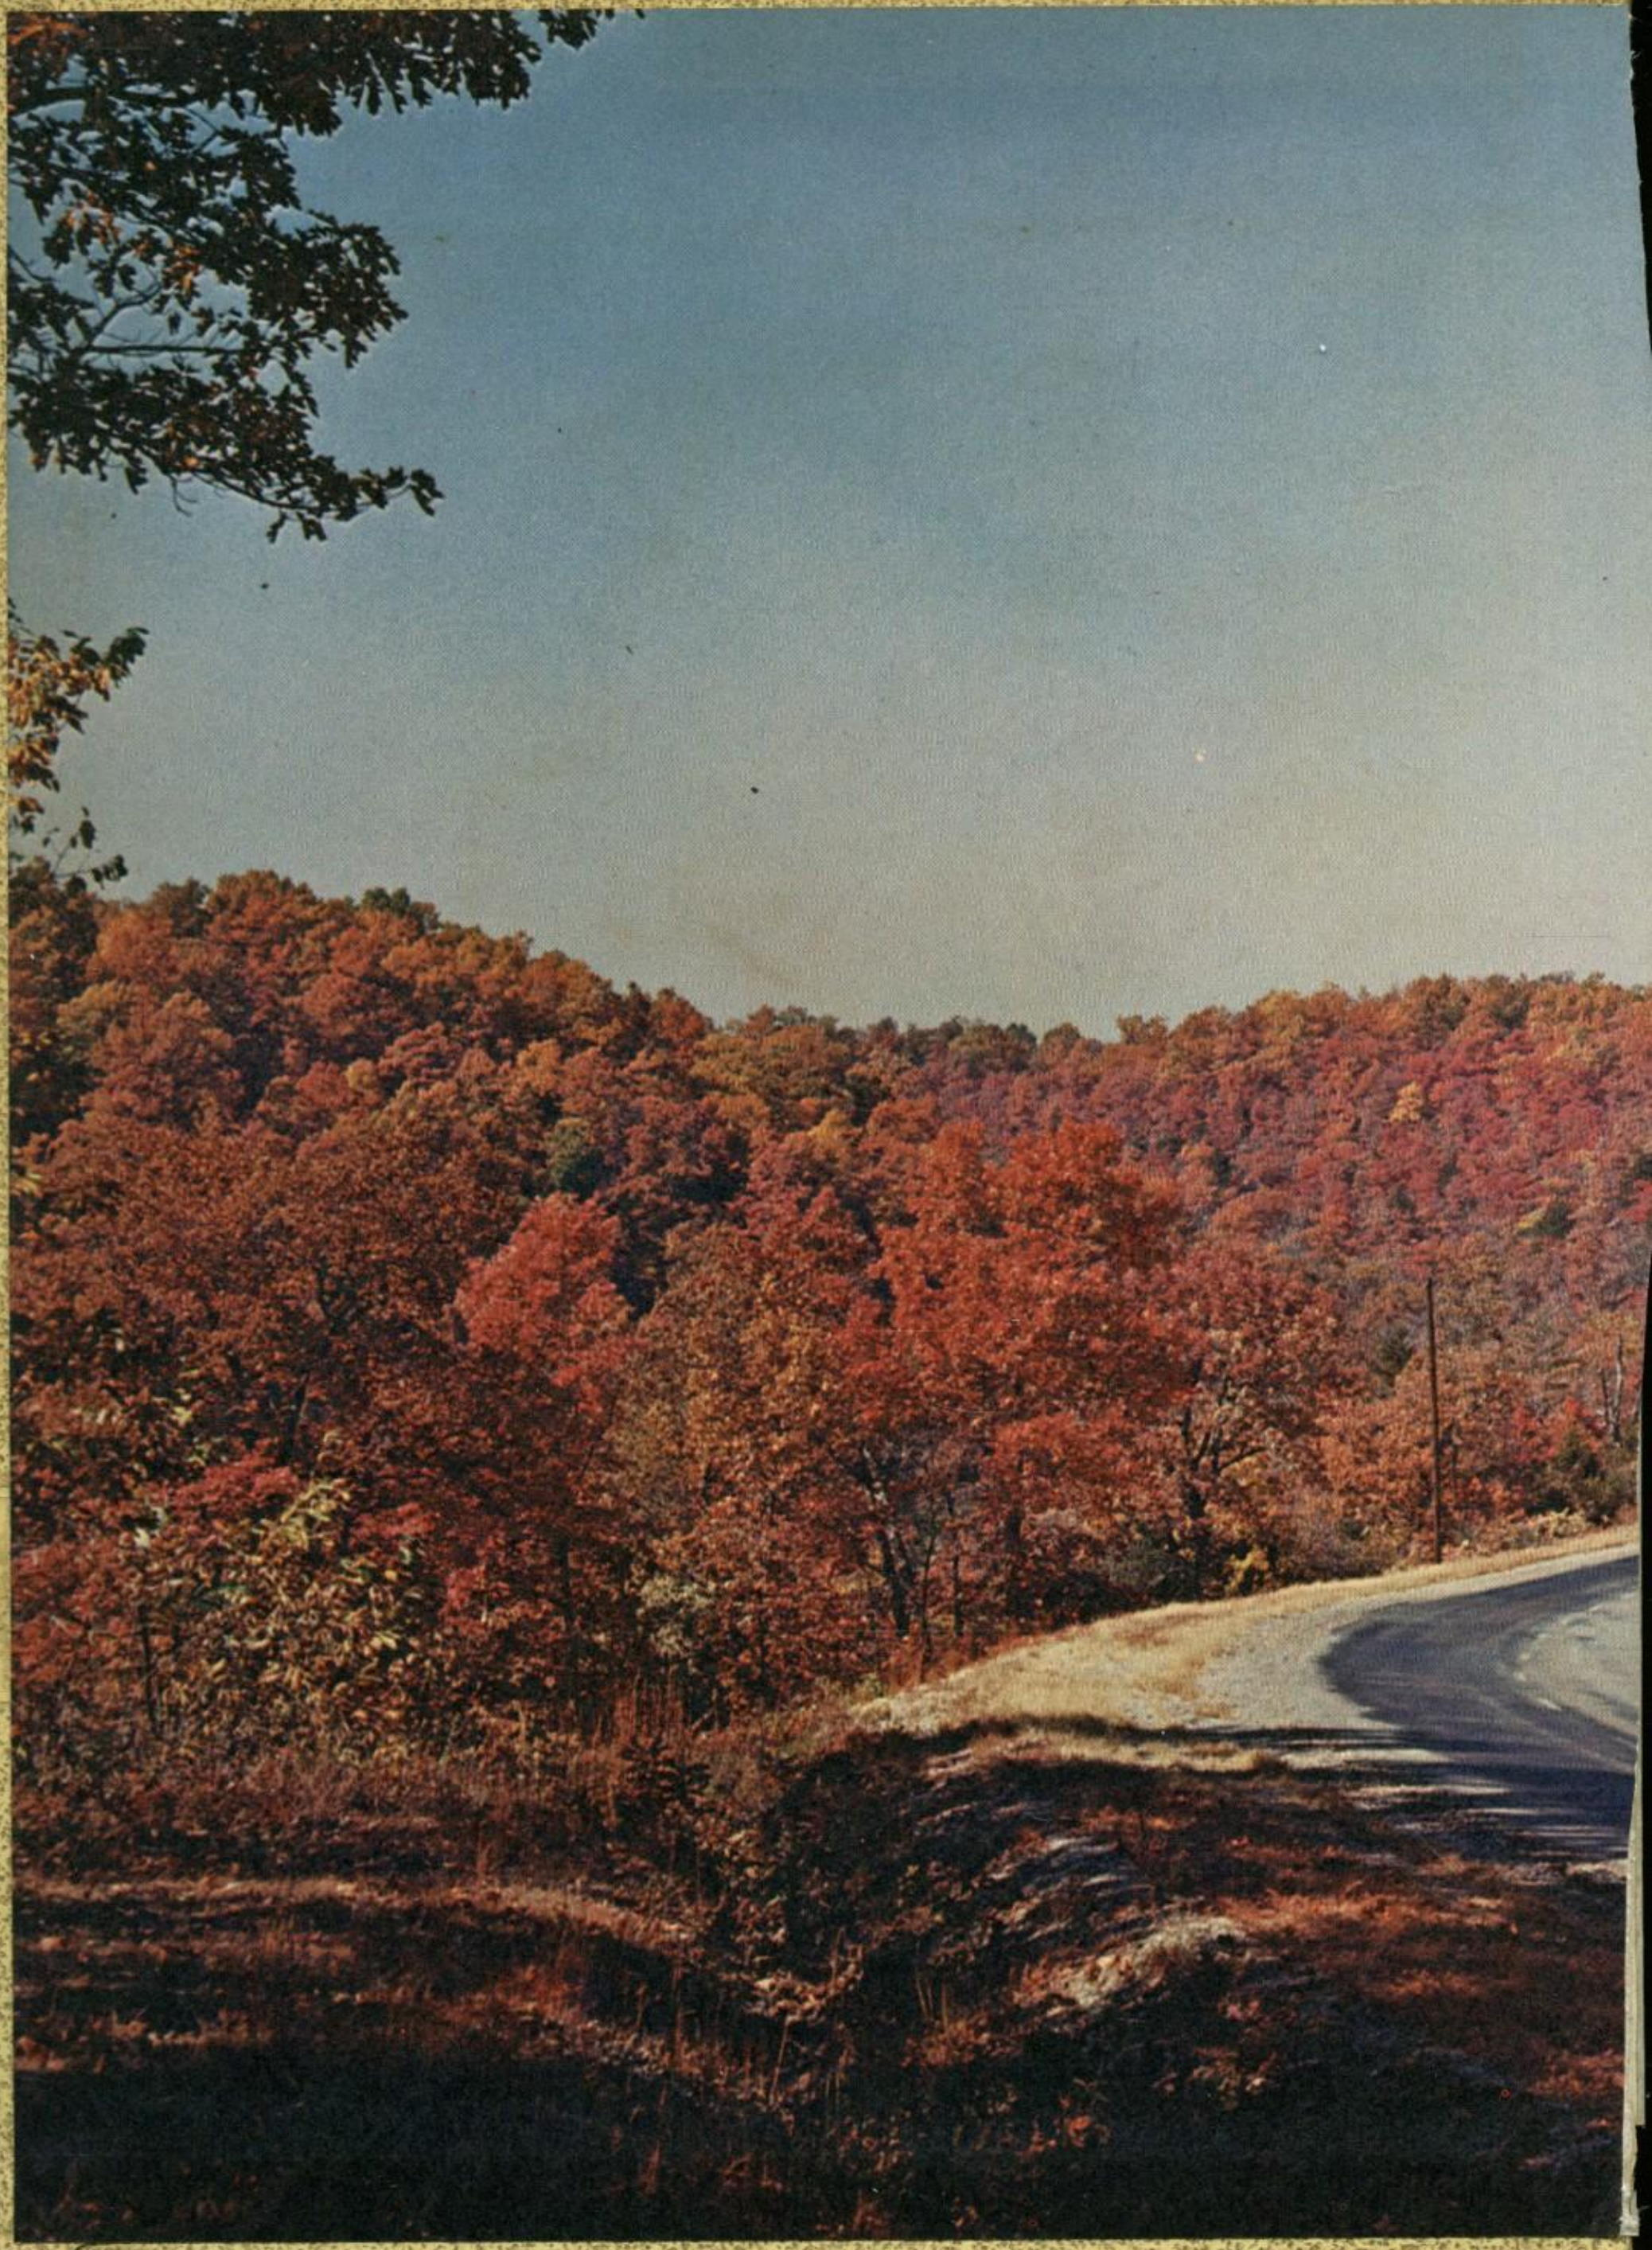
THE TIGER - 1963



Mr. Patty,

We, the Senior Class, of 1962-63 would like to express to you our appreciation for all the kindness and consideration you have given us in the past four years at N.H.S.

You have portrayed the roles of a friend, teacher, and sponsor throughout our years in high school.

With all this in mind, we, the Seniors, dedicate our 1962-63 "Tiger" to you, Mr. Fred Patty.

SUPERINTENDENT'S MESSAGE

It is never a good policy to live in the past, yet there are times when a backward look is revealing as to accomplishments and disappointments, gains, and losses. This yearbook depicts a pictorial history of your school days of 1962-63. May it sincerely be a backward glance of a truly wonderful year, measured by success, happiness, and intellectual growth.

My congratulations to the editor, Janet Taylor; co-editors, Johny Sence, and Wanda Wolverton; and the yearbook advisor, Miss Rogers, for a job well done.

Mr. FRED R. PATTY
High School Principal
Senior Class Sponsor.

As you turn the pages of this 1963 TIGER, may it bring you pleasant memories of a school year that brought both happiness and the satisfaction of accomplishment.

May it also be a reminder that learning is an essential and continuing process which brings to each individual the reward of a richer and happier life.

My congratulations to the 1963 TIGER staff and their advisor, Miss Rogers, for compiling and preserving for us this pictorial record of the 1962-1963 school year.

MRS. MILDRED VanDOVER
Grade School Principal

Each human being has a talent, secreted in the depths of himself which is his special gift of life.

I hope that each of you will take advantage of this talent; develop it full, and use it well. Whatever you choose to do in life, do it the very best you know how.

Education is a necessity that each of us must have so that we may compete in this fast moving world of ours.

Education is a companion, which no misfortune can decrease, no crime destroy, and no enemy alienate.

Education may mean financial sacrifice and mental fatigue, but for every cost, the compensations will be one hundred fold.
